Re: New Drive-up Window Hours for our vehicle registration facility

Beginning March 1, 2011, The license plate and registration facility located at 625 N. 46th Street will open the drive thru license plate renewal window at 700 am and close the window at 5 pm. The walk in counter window hours will remain the same which is 730 am to 430 pm.

Also, we encourage renewal of vehicle registrations online at www.clickdmv.ne.gov or by mail.

Thank you very much.
